

2021 Mississippi Baptist State Evangelism Conference postponed

A Message from Don Lum, Director
Evangelism Department
Mississippi Baptist Convention Board

Lum

Each January, Mississippi Baptists gather for the State Evangelism Conference. It is a wonderful time of fellowship for Mississippi Baptists from all over the state, as we are encouraged and challenged to share Jesus.

The next Evangelism Conference, scheduled for January 31 – February 1, 2021, at Brandon Baptist Church in Brandon, has been postponed due to the continued effects of the COVID-19 coronavirus pandemic.

We hope to find a date later in 2021, if at all possible. We will keep you informed. If you have any questions, please contact me at dlum@mbcb.org.

In the meantime, as we live our lives day by day, remember that our world needs Jesus. May we be burdened and may we be bold as we seek opportunities to share the Good News.
