

Help shape MBCB branding, website through online survey

“The Mississippi Baptist Convention Board is working with Useful Group to update our branding and website presence. At this point in the process, we’re focused on understanding as clearly as possible the thoughts of the 500,000+ Mississippi Baptists who are part of our churches, and we need your help in doing so. Our goal at the MBCB is to assist churches in making disciples, and we want to do this to the best of our ability! So, I want to ask you to help with this effort by completing the linked survey. I know you are busy and your time is valuable, so I’ll really be thankful for your help. One more thing – I deeply appreciate your service to the Lord and am praying for you to keep up the good work!”

– Dr. Shawn Parker, Executive Director-Treasurer, MBCB
