

Mississippi Singing Churchmen and Churchwomen touring in Spring

The Mississippi Singing Churchmen is a men's choir, comprised of ministers of music from Baptist churches in Mississippi. Since their beginning in 1965, they have sung their testimony throughout Mississippi and in mission trips around the United States and the world. They are committed to "Sharing the Songs of Jesus" wherever they have opportunity.

The Mississippi Singing Churchwomen share a similar mission as the Singing Churchmen. The group has a long history of gathering together to share testimony through song.

This Spring, come and enjoy the Mississippi Singing Churchmen and Churchwomen as they share the songs of Jesus.
